Monitor your electricity use!

If you're logged in online,
or on the app, go to the **Usage** tab.

Three different tools online:

AVERAGE USAGE

Select a specific time period to see
how much electricity you typically use
in kilowatt-hours or dollars.

USAGE COMPARISON

Compare past monthly bills side-by-side and
determine if new electricity-saving habits are
making a difference.

USAGE EXPLORER

Get a detailed look at your past and current
electricity use, all in one place. View your usage
and weather trends
by the month, day or hour.

NEW QUICK PAY FEATURE

Managing your bills has never been easier!
With MyBluebonnet's new Quick Pay feature,
you can make payments in no time without
logging in. All you need is your account number
and last name or business name. Try it now
and click 'Quick pay' from the top of any screen
at bluebonnet.coop.
